Product ID: **2004-PN**

Available Finishes:

FB (Flemish Brass)

PN (Polished Nickel)

The circular nose of a 19th century locomotive lends inspiration to Milton's decorative backplate. Smooth metal rails support intricately tooled lamps, which we cap with opal glass shades. The shades are pressed to resemble pleated fabric and trimmed with contrast metal piping. Milton's attractive details add historic character to any well-appointed space.
