

BARTON

WALL SCONCE

Product ID: **3212-AGB**

Available Finishes:

AGB (Aged Brass)

PN (Polished Nickel)

The multi-point star motif is an American legacy. Colonial sconce makers amplified the candle's firelight glow by fitting a concave backplate with a starburst array of mirrored glass panes. We bring modern flair to this inspiration by cutting Barton's twenty wedged facets from a solid crystal block. Set against a plated nickel backdrop, Barton's silvery crystal star reflects a memorable moonlight glow.
